Az bachataénu

Per i nostri peccati fu distrutto il Santuario, e per i nostri trascorsi il Tempio fu bruciato; si levarono lamenti nella popolosa città e le schiere celesti intonarono canzoni di lutto. Piansero in cielo le tribù di Giacobbe e le costellazioni stillarono lacrime. Le schiere di Yeshurun si velarono il capo, le Pleiadi e l'Orione si oscurarono.

For our sins the Sanctuary was destroyed, and for our transgressions the Temple was burned; lamentations arose from the populous city and the heavenly hosts sang songs of mourning. The tribes of Jacob cried in heaven and the constellations shed tears. The hosts of Yeshurun covered their heads and Pleiades and Orion darkened.
