Chapin's Tivolis 8

This image shows a page of handwritten musical notation on aged, yellowed paper. At the top left, the title "Chapin's Tivolis 8" is written in cursive. Below the title are ten horizontal musical staves. The first two staves contain handwritten musical notation, including notes, stems, and beams. The remaining eight staves are blank, suggesting that the music continues on the next page or that this is a partial score. The paper shows signs of age, with some staining and discoloration.
